

FALL 2024
SHOU SUGI BAN HOUSE

Our culinary program has been thoughtfully chosen to create a reflective and nourishing experience with food.

Our menu has been designed in collaboration with Michelin-starred Chef Mads Refslund, a Co-founder of Noma, and Owner of Ilis, who has served as the Culinary Creative Director of Shou Sugi Ban House since inception.

Guided by our overarching principles of wellness and sustainability, every dish is crafted with market-fresh ingredients found on the East End and prepared daily by our in-house team led by Executive Chef Sabdiel Cortes.

To complement your dining experience, specially curated wines are available by the glass or bottle. This thoughtful selection includes wines produced using biodynamic, organic, or sustainable practices, and several are sourced locally or from female winemakers.

Given the fresh sourcing of all ingredients, we require that meal selections are submitted by 8:00pm the day prior for all lunch and dinner reservations. Same day requests for full lunch and dinner seatings are not guaranteed, though our à la carte menu is available throughout the day and evening.

Please notify our team of any allergies or dietary restrictions. Most menu items can be made gluten free and dairy free upon request.
